

Aren't they lovely? They can be deadly!

**Rabies kills you and your dear.
A pet is NO holiday souvenir!**

*Worldwide,
every 10 minutes
someone dies
of rabies*

*Rabies is present
in more than
150 countries,
including lots
of popular
holiday destinations*

*Rabies is a
deadly disease
for man
and animal.
There's no
treatment!*

*It can take
months before an
infected animal
shows symptoms*

*There's no test
available
to diagnose rabies
in living animals*
