

Summary

Advice 06-2007 of the Scientific Committee of the FASFC concerning the revision of the eradication policy of transmissible spongiform encephalopathies (OSE, TSE) in small ruminants within the framework of the TSE Road Map.

The Scientific Committee performed a self-tasking study on the evaluation of the risks of the revision of the eradication policy on transmissible spongiform encephalopathies (OSE, TSE) in small ruminants within the framework of the TSE Road Map. In the advice a number of specific recommendations are given.
