

Advice 30-2010 of the Scientific Committee of the FASFC on the project of royal decree amending the royal decree of 9 March 1953 concerning the trade of fresh meat and regulating the expertise of slaughtered animals within the country and the Royal Decree of 22 December 2005 laying down additional measures for the organization of official controls on products of animal origin intended for human consumption

This project of royal decree is intended to adapt the Belgian legislation to modifications on the list of member states authorized to revise their annual surveillance program for BSE.

The Scientific Committee has, in the field of her competences, no comments on the project of royal decree.
