

Advice 04-2011 of the Scientific Committee of the FASFC concerning a non-limitative list of subjects for scientific research in regard to the food chain

The Scientific Committee formulates a non-limitative list of subjects for scientific research related to the food chain which deserves the attention of researchers and research funders.

The full text is available on this website in dutch and in french, respectively under the section “Wetenschappelijk Comité/Adviezen” and “Comité scientifique/Avis”.
